

TTXL

PIXEL CONTROLLER

TTXL PRO

4.800 RGB-pixels
8 output lines

8.000 RGB-pixels
via DUOpixel¹

Supporting RGB and RGBW pixel strips
with and without clock

Developed in Denmark.
Impressingly simple setup and control

¹ DUOpixels links two or more LEDs resulting in a huge pixel output at a smaller pixel resolution.

Dansk forhandler

ATENDI

I expect more
